How to Individualize Your Child's Gifted IEP

Presented by **Todd McIntyre**

Date / Time: Thursday, February 21st
7:00 PM

Location: Indian Valley Middle School
130 Maple Avenue
Harleysville, Pa 19438

We will meet in the library!

How to Individualize Your Child's Gifted IEP is an information-packed hour and a half that takes parents through the basics of Gifted Education, provides an overview of the regulations, and helps parents be more effective advocates for their gifted child when it matters most, during the GIEP Meeting.

This practical, results-oriented session is ideal for parents who are looking for clear, easy-to-understand answers to their questions about gifted education.

Topics covered include:

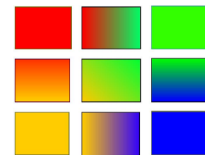

- Identification
- The GIEP
- Present Levels of Educational Performance
- GIEP Team Meetings
- Next Steps
